Clean Air Ride CENTURY CHALLENGE COURSE:

Due to the fact that the Withlacoochee State Trail is only 46 miles long, we needed to add a single loop section to accommodate the additional mileage. You will only do this loop once as indicated for Northbound Riders and continue straight South on the Trail for the return trip to Inverness. Therefore, riders wishing to complete the entire 100 mile distance, should follow the directions below.

Upon reaching the South Citrus Springs Trailhead (cyclists are coming from the south and headed north), the Century Riders turn **LEFT** (west) onto South Citrus Springs Blvd... Cycle approx. 8 ½ miles on Citrus Springs Blvd. to Deltona, turn **RIGHT** (south) onto Deltona (just before the turn there will be a fire station on the right and a Cumberland Store on the N.W. corner)...travel approx. 1 mile south to Country Club Blvd...turn **LEFT** (east) onto Country Club and ride approx. 8/10 of a mile back to the W.S.Trail... turn **LEFT** (north) onto the W.S.Trail and continue north to the Gulf Junction SAG Stop and the Picnic Pavilion...
